

**REMARKS**

Reconsideration of the application as amended is respectfully requested. The Examiner has restricted examination of claims 1-24 in this application. Specifically, the Examiner restricted claims 1-7 to Group I as being drawn to magnetic particles, the Examiner also restricted claims 8-17 to Group II as being drawn to process of making magnetic particles, and the Examiner restricted claims 18-24 to Group III as being drawn to a composite article.

Although Applicants do not necessarily agree with the Examiner's reasons for restriction, Applicants elect to prosecute claims 1-7 of Group I. Therefore, Applicants have canceled claims 8-24 without prejudice for possible inclusion in a divisional application. This election is made without traverse.

If the Examiner believes that a telephonic interview will help speed this application toward issuance, the Examiner is invited to contact the undersigned at the telephone number listed below.

Respectfully submitted,
